

DEPARTMENT OF PAEDIATRICS

SEPTEMBER 21ST: 1200-1300

TARNING A HOUSE OF DRAGONS: NEW INSIGHTS INTO PATHOGENESIS AND TREATMENT OF NECROTIZING ENTEROCOLITIS

Presenter

Dr. David J. Hackam, MD, PhD, FACS

Paediatric Surgeon-in-Chief and Cod-Director ,

Johns Hopkins Children's Center

Baltimore, Maryland

OBJECTIVES:

By the end of the hour, participants should be able to

1. Understand the role of host-microbial signaling in the pathogenesis of necrotizing enterocolitis.
2. Understand the mechanisms of NEC-induced brain injury
3. Understand the mechanisms behind the development of an artificial intestine for the treatment of NEC

Physicians, Nurses, Health Disciplines are Welcome to attend!

Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
