Presenter

Dr. Craig Campbell, MD MSc FRCPC

Dr. Micheal Rieder, MD PhD PRCPD FCAHS FBPhS
FAAP FRCP (Glasgow) FRCP (Edinburgh)

Dr. Alexandra Zorzi, MD, FRCPC

OBJECTIVES:

By the end of the hour, participants should be able to

- 1) To understand the changing nature of new drug development
- 2) To appreciate how these changes impact the nature and cost of new therapeutic entities
- 3) To describe how these changes impact availability of new therapies for children

Physicians, Nurses, Health
Disciplines are Welcome to
attend!

Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
