

# DEPARTMENT OF PAEDIATRICS

OCTOBER 12<sup>TH</sup>: 1200-1300

## ASSESSMENT AND TREATMENT OF TORTICOLLIS AND CRANIAL ANOMALIES

### Presentors

**Liz Lusk:** Registered Physiotherapists

**Kathleen Lynch:** Registered Physiotherapist

**Dawn Turner:** Certified Orthotist

**Kaitlyn Van Engelen:** Registered Occupational  
Therapist

### OBJECTIVES:

**By the end of the hour, participants should be able to**

- 1) Identify early signs and causes of torticollis and plagiocephaly
- 2) Learn early strategies that can be taught to caregivers by their primary care team
- 3) Recognize when and how to initiate early intervention, including primary care treatment, external PT/OT referrals, and consideration of helmet therapy

**Physicians, Nurses, Health  
Disciplines are Welcome to  
attend!**

*Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.*

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
