

DEPARTMENT OF PAEDIATRICS

OCTOBER 18TH: 1200-1300

REVVING UP YOUR METABOLISM KNOWLEDGE: THE CRITICAL VALUE OF A GENERAL PAEDIATRICIAN

Presenter

Dr. Mia B. Sethna, MD, FAAP

Physicians, Nurses, Health
Disciplines are Welcome to
attend!

OBJECTIVES:

By the end of the hour, participants should be able to

1. Review the biochemistry and genetics behind VLCADD, MCADD and PKU
2. Understand the major clinical manifestations and treatment of these conditions
3. Recognize the relationship between psychosocial stresses and management of metabolic disorders
4. Understand the role of a pediatrician in monitoring growth, development, mental/emotional health and disordered eating in this unique population

Via
Zoom

Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
