

DEPARTMENT OF PAEDIATRICS

NOVEMBER 23RD: 1200-1300

FUNDAMENTALS OF PAEDIATRIC TOXICOLOGY: ON CANNABIS LEGALIZATION, INTENTIONAL OVERDOSE AND YOUTH SUICIDE

In person
AND Via
Zoom

Presenter

Dr. Yaron Finkelstein, MD, FACMT

OBJECTIVES:

By the end of the hour, participants should be able to

- 1) Review the clinical picture of cannabis poisoning in children
- 2) Discuss the impact of recreational cannabis legalization on risk of pediatric poisoning
- 3) Understand the association between intentional drug overdose and teen suicide, and what can we do to improve survival.

Physicians, Nurses, Health Disciplines are Welcome to attend!

Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
