

DEPARTMENT OF PAEDIATRICS

APRIL 5TH, 2023: 1200-1300

BRAIN-BASED DEFINITION OF DEATH, CRITERIA FOR ITS DETERMINATION & CLINICAL IMPLICATIONS

Presenter

Dr. Rishi Ganesan, MBBS, MD, DM

Paediatric Critical Care

OBJECTIVES:

By the end of the hour, participants should be able to

1. Review existing guidelines for death determination
2. Discuss recently updated brain-based definition of death that will clarify that all death is related to brain function
3. Share recently developed evidence-based & expert-informed criteria for death determination after arrest of circulation or neurologic function
4. forHow does this change (or not change) what we do at the bedside as clinicians?

**Physicians, Nurses, Health
Disciplines are Welcome to
attend!**

Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
