

DEPARTMENT OF PAEDIATRICS

APRIL 26TH, 2023: 1200-1300

DYSLIPIDEMIA IN CHILDREN: WHO NEEDS MEDS, WHAT AND WHY?

Presenter

Dr. Brian McCrindle, MD MPH

Section Head, Preventive Cardiology, The Hospital for Sick Children

OBJECTIVES:

By the end of the hour, participants should be able to

1. To recognize the rationale and strategies for screening and diagnosis of dyslipidemia.
2. To understand the efficacy and safety of dietary management.
3. To recognize which patients may benefit from lipid-lowering drug therapy.

Physicians, Nurses, Health Disciplines are Welcome to attend!

Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
