

# DEPARTMENT OF PAEDIATRICS

MAY 3<sup>RD</sup>, 2023: 1200-1300

## COVID-19'S IMPACT ON THE PAEDIATRIC BRAIN

### Presenter

**Dr. Ericka Fink, MD, MS**

Paediatric Critical Care, UPMC Children's Hospital of Pittsburgh

#### OBJECTIVES:

By the end of the hour, participants should be able to

1. Gain understanding of the epidemiology of pediatric neurologic manifestations in SARS-CoV-2 related illness
2. Learn about emerging mechanistic theories behind these neurologic manifestations.
3. Challenges and potential solutions for future epidemics and pandemics

**Physicians, Nurses, Health Disciplines are Welcome to attend!**

*Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.*

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
