

# DEPARTMENT OF PAEDIATRICS

**AUGUST 26<sup>TH</sup>, 2022: 1200-1300**

## **HOSPITAL AS A PATIENT ETIOLOGIES AND EVALUATION OF POOR WEIGHT GAIN IN CHILDREN ADMITTED FOR GROWTH FALTERING**

### **Presenter**

**Dr. Elise Peterson Lu, MD, PhD**

**Paul C. Gaffney Division of Paediatric Hospital Medicine**

### **OBJECTIVES:**

**By the end of the hour, participants should be able to**

1. Evaluate the risk for underlying pathology in children with growth faltering
2. Identify low value practices in the management of growth faltering
3. Formulate an appropriate diagnostic evaluation for a patient presenting with growth faltering

**Physicians, Nurses, Health Disciplines are Welcome to attend!**

*Paediatric Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada.*

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

This program has no commercial support.
